QUARTERLY ACTIVITIES REPORT – 31 DECEMBER 2021 QUARTER

BARRY PARADE PROJECT

The Company has further advanced its plans for redevelopment of the site in accordance with the terms of its Development Approval. The Company has further advanced design elements of the proposed redevelopment and prepared a marketing strategy to attract international and domestic pre-sales.

However, in light of the COVID-19 pandemic and the associated restrictions on both domestic and international travel, the Company has resolved to defer the launch of its marketing strategy until such time as more favourable market conditions prevail. Subject to acceptable market and economic conditions, it is anticipated that marketing will commence in the latter part of 2022.

The Development Approval for this site has previously been extended to 1 June 2025 for Stage 1 and 1 June 2027 for Sage 2. The Company has submitted additional materials to Brisbane City Council to support its application to amend the Development Approval to achieve an improved design which will better suit the current environment and demand.
